NOTICE.

THE publishers in presenting this Guide to the public do so with the assurance that it is the most complete and accurate Street Guide of Philadelphia yet issued. A thorough and systematic canvass of the entire city has been made and verified at the office of the City Survey Department. No time or expense has been spared to make the Guide thoroughly reliable.

Other alleged Street Guides published have been pirated from our former Guides and Directories, and foisted on a confiding public from year to year as original, official, and copyrighted. It is the intention of the publishers to prosecute any infringement of this work.

GOPSILL'S
STREET GUIDE
OF PHILADELPHIA

☞ For **Changes in the Names of Streets** (giving Old and New Name) see page 79.

☞ For **Key to Street Names** see page 65.

☞ By the decimal system of numbering streets adopted in this city, one hundred numbers are allotted to each square, commencing at the DELAWARE running WEST, and at MARKET, running NORTH and SOUTH. All other streets not commencing at either of the above points, are numbered in accordance with this system.

☞ All parallel streets running North and South will be found under N and S, as N Front, S Front, N Darien, S Darien. On parallel streets E and W of N Front, starting at Girard Avenue, E only is given as the distinction, as Girard Avenue and E Girard Avenue, Norris and E Norris; in Germantown and Chestnut Hill, Germantown Avenue is the dividing line, and Streets crossing it are designated as E and W—as E Penn, W Penn.

☞ **Diagonal Streets** number as follows:

Frankford, Germantown, Kensington, Moyamensing, and Passyunk Avenues from East and West Streets; thus, 1200 Frankford Avenue is at corner of Girard Avenue.

Baltimore, Chester, Lancaster, Ridge, and Woodland Avenues from North and South Streets; thus, 1800 Ridge Avenue is at corner of N 18th.

Glenwood Avenue and Sedgley—N Front to Lehigh Avenue—take numbers from North and South Streets; Lehigh Avenue to Columbia Avenue from East and West Streets; thus 800 Glenwood Avenue is at corner of N 8th, 1800 Sedgley at corner of Montgomery Avenue.

Gray's Ferry Avenue—South Street to Carpenter and in West Philadelphia from Schuylkill River to Woodland Avenue—takes numbers from East and West Streets; Carpenter to the River from North and South Streets; thus, 800 Gray's Ferry Avenue is at corner of Catharine, 2800 Gray's Ferry Avenue is at corner of S 28th.
